Food Made *Better*

We step beyond the 'mere ordinary' to create 'extraordinary'

We use real food ingredients for a real food flavour. For example the 200g of juicy Italian tomatoes crammed into every 100g of our ketchup, the Greek olive oil drizzled into our velvety mayonnaise and the 8% date puree in our Brown Sauce.

Compassion goes beyond the *love of good food*

Stokes Sauces founder, Rick, has a passion for rescuing animals. The menangerie in rural Suffolk has grown to over 250 happy pigs, sheep, cattle, wallabies, emus & rheas, goats, ducks, cats, dogs, and lucky hens!
